

## Porto Monumental

With around 267.000 inhabitants, the city of Porto has carefully preserved its architectonic treasures, including monuments in the Romanesque, Gothic Baroque and neo-classical style. Other styles are also represented with the famous bridges of Luis I and Dona Maria Pia (19 century), Arrabida, São João and Freixo Bridges (20 century), and Infante Bridge (21 century). These invite you to take a detailed, 4 hour tour. With visit to the Stock Exchange Palace or S.Francisco Church, Sé Cathedral, **Real Companhia Velha Port Wine Cellars**, the bridges, historical and medieval aerea, Clérigos, Foz, Boavista. Return to the hotels
